

The Special One

You know
you've found
the special one,
when you walk into
a crowded room,
and still she remains
. . . consumed by you . . .

-

-

~ when evidence indicates ~
you're guilty beyond proof,
but still, she searches
. . . for the truth . . .

-

-

~ when eyes never stray ~
away from your face,
even as enticing offers
. . . try to tempt her gaze . . .

that's only one side,
~ one side of love ~
the rest depends

on you,

so

should you
you someday feel
the same way too,
then is when
you'll know,
you've found
the special one
for you.
